

Terms and Conditions: FLS920 and FLS980 Photoluminescence Trade-In Offer

About this offer

Customers who purchase a new FLS1000 Photoluminescence Spectrometer are eligible to trade in their existing FLS920 or FLS980 system in exchange for a one free upgrade of a single to a double monochromator on the new FLS1000.

Please note that the physical logistics of the trade-in process may vary by country.

Duration of offer

This promotion is valid from 31 July 2025 to 31 July 2026, inclusive.

Eligibility

To qualify for this offer, customers must:

- Be the current owner of an FLS920 or FLS980 system.
- Submit a new order for an FLS1000 during the offer period.

How to claim the offer

To participate in the trade-in program:

- Customers must indicate their intention to trade in their FLS920 or FLS980 when placing the order for the new FLS1000.
- Orders should be submitted either through the Edinburgh Instruments Sales Team at sales@edinst.com or via your local authorised distributor (details available on the Edinburgh Instruments website at www.edinst.com).
